THIS WEEK'S MESSAGE

Song and Word: Scatter To Gather

"Abide in me, and I in you. As the branch cannot bear fruit by itself, unless it abides in the vine, neither can you, unless you abide in me. I am the vine; you are the branches. Whoever abides in me and I in him, he it is that bears much fruit, for apart from me you can do nothing."

FAQs

Q: Whom will we be grouped with?
A: We hope to let you know your group by the end of December. We will have to consider group size, dynamics and location, and are thankful for your patience! 😊 If you have any needs, please let us know under "Any questions or comments?" below.

Q: Can we join with an existing group (e.g. a care team)?
A: We encourage brothers and sisters to join new groups as we practise scattering for God's mission as a church. However, if you feel strongly about joining with an existing group, please feel free to chat with Irvin! Thank you 😊 🙏🏻

Q: Can we meet on another day, change days each week, or meet in the church building?
A: Groups may choose another day, though we've found Friday evenings work best for most! 😊 A key to scattering is meeting regularly outside Sundays, and outside our church building.

Q: How will this help us discern God's mission for us as a church?
A: Because the church is God's people, we believe that God will reveal His mission for all of us (congregation) through His mission for each of us (individuals)!

Q: Where will this lead? Will there be a follow-up?
A: As the LORD leads, we hope to run more discipleship groups in the future, with new topics! Healthy groups who 'scatter to gather' are often the lifeblood of healthy churches.

#Overflow Discipleship Groups
Our Leaders' Experiences

In January 2026, our leaders embarked on a discipleship group program. They met weekly for 8 sessions to eat, pray, and meditate on how God works in our inner lives. Here are some of their reflections on how they were blessed by these sessions, and we pray you will be inspired to try a discipleship group yourself!

John Then
DEACON FOR MISSIONS

One thing I personally benefitted from is how we gather as a small group to discuss and grow. It gives me space to share that the fear of the Lord is my main driver, because we take time to learn about God for one another, and that shared journey strengthens all of us.

Johnston Seah
DEACON FOR BOARD ADMINISTRATION

I loved having DG with people outside of my peer group. I learned a lot from their personal experiences and their encouragement for my own circumstances. Everyone should definitely join! Discerning God's will amongst people who love God really filled my cup till it overflowed.

Isaac Tay
DEACON FOR FINANCE

The discipleship group helped me to introspect on what God is shaping in me for this season, celebrate what He has done and identify what I need to confront. It was a blessing to have done so with a group that was life giving and honest. The relationships formed through the sessions also provided the support to walk through, and take pleasure in this season in life.

Jason Mok
DEACON FOR THE BOARD

Through the discipleship group, I experienced what it could have been like in the times of the Apostles. People opening up their homes, sharing what they had, sharing stories, sharing their joys and burdens, and delighting in the presence of the Lord while gathered together.

Discipleship is a bit different from 'friendship' in that there is an **intent**. While friendships is mainly about enjoying the relationship, discipleship seeks to first fill our cups full, which then enables us to serve from the overflow. The discipleship group experience opened my eyes to see that difference. It truly adds that little bit of wisdom to your life perspectives!

Shape Notes Workshop
By Brother Chen Yi

Have you ever wondered during our worship services what all the lines and squiggles on the screen mean? Do you long to make music with your heart and also with your voice?

Here in the Churches of Christ, we are grateful for our tradition of acappella singing where everyone's God-given voice plays (sings) an important part! Learn how to use your voice for God's glory and the blessing of your brothers and sisters!

Sing-Along Jamspiration (11 November)

Music brings people together. When we gather to play, sing, and listen, we form deep bonds and relationships rooted in joy, encouragement, and shared experience.

Bring your ukulele or guitar and jam together! As we grow our love for music, we'll take the gift of music into places where music can be a blessing—nursing homes, community centers, or informal gatherings.

Bring a dish for a potluck lunch!

Time: 10am-2pm
Venue: iNz Residence Function Room
