Mission Newsletter

Meet our mission partners, learn about the least-reached peoples among whom they serve, and pray with them through the year.

MISSIONS MONTH · OCTOBER 2026

MISSION SUNDAY · 18 OCTOBER

WELCOME

Know them. Learn their needs. Pray with them.

Dear PP church family,

Every October we take time to remember that God's mission is bigger than our building at Pasir Panjang Road. Through your prayers and the Mission Fund, PP stands with brothers and sisters serving in India, Indonesia, Myanmar, Papua New Guinea, the Philippines and here in Singapore.

This year's Mission Newsletter has a new look, but its purpose is the same: to help you know who our mission partners are, what God is doing through them, and how to pray for them. Alongside each country you'll find a snapshot of the peoples there who are still unreached or least reached.

Take a page a week. Scan the QR codes to hear each partner in their own words, and use the prayer calendar to carry them with you through the year.

In Christ,
Kyle Hooper

03
Pray
Three requests from each partner for the next 12 months, and a monthly prayer calendar.

04
Watch
Scan the QR code on each page to watch that partner's Mission Sunday video.

WHY IT MATTERS

What is an unreached people group?

A people group shares a language, culture and identity. Joshua Project calls a group unreached when it has too few followers of Jesus to reach the rest of the group without outside help: fewer than 2% evangelical Christians and fewer than 5% Christian adherents.

Worldwide, there are over 7,000 unreached people groups, home to more than 3 billion people. Every one of our partner countries is home to unreached peoples.

89.8% of **India's** people groups are unreached

69% of **Indonesians** live in unreached groups

83% of **Myanmar's** people live in unreached groups

MISSION PARTNERS · INDIA

Prashanth & Nirmala Alam

WHO THEY ARE

Prashanth Alam is a preacher and evangelist in Bengaluru who serves two congregations. He has ministered at Mathikere Church of Christ since 2011, when it had 25 members; by God's grace it now has 156. In 2013 he planted KR Puram Church of Christ with seven people, and it now has 45 members. Prashanth also directs the Bear Valley Bible Institute Extension Centre in Bengaluru, opened in October 2025, which trains gospel workers in disciple-making and church planting. He serves alongside his wife, Nirmala, and their son, Nishanth Jacob (14).

CELEBRATING

By July 2026, 22 small churches had been planted in Karnataka and Andhra Pradesh, and 23 church planters trained and sent. The churches in Mathikere and KR Puram keep growing.

LOOKING AHEAD

More disciples, more trained church planters, and more healthy churches among unreached communities: churches that can keep multiplying without outside help.

> "Our vision is not simply to plant churches, but to make disciples who make disciples, and develop leaders who can continue the work for generations."
>
> PRASHANTH & NIRMALA, MISSION SUNDAY 2026 VIDEO

Pray with Prashanth & Nirmala

FOR THE NEXT 12 MONTHS

1. For the 23 church planters and other disciple-makers serving in unreached communities: wisdom, courage, faithful disciples and new leaders.
2. For the BVBI Extension Centre in Bengaluru: growth, and resources to train more gospel workers who will return home to plant churches.
3. For Mathikere Church of Christ (156 members), which rents its hall and must move: a plot and resources for a permanent home.

Kiran & Sowjanya Babu

WHO THEY ARE

Kiran founded Reddy Palem Church of Christ in 2018 and has served as its full-time minister since graduating from SIBI in 2019. His whole family serves together, mostly in Hindu-majority villages and among Muslim and Dalit communities. Through their Children's Study Centre, Kiran and Sowjanya give children food, preschool and after-school education, and Bible teaching. With four co-workers, Kiran preaches in villages, tribal and hill areas, and leads church planting and outreach that shows Christ's love to people in need.

CELEBRATING

Parents from the Study Centre have invited Sowjanya into their homes to pray. Two of these women have now believed and been baptised. Four brothers now serve alongside Kiran.

LOOKING AHEAD

To reach students in schools and universities, take God's Word to remote villages and tribal areas, and train the people who serve there.

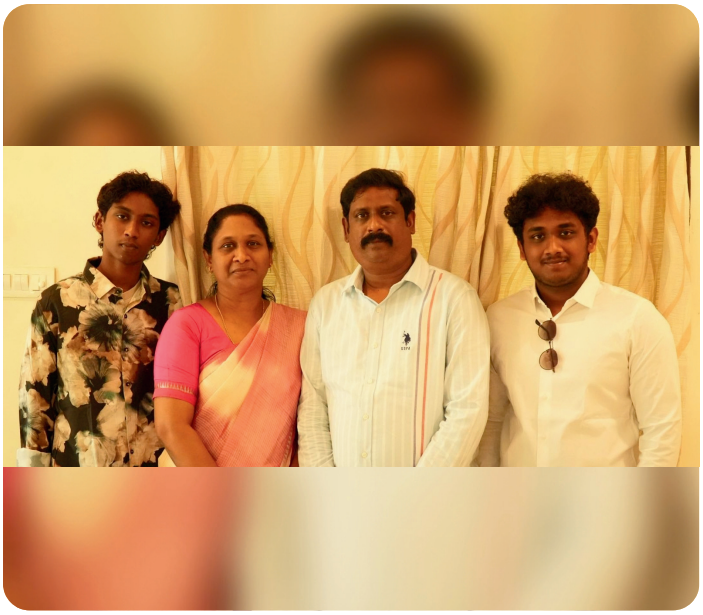

> "Our ministry is not only about preaching, but also about helping people and bringing positive changes to their lives through the love of Jesus Christ."
>
> KIRAN & SOWJANYA, MISSION SUNDAY 2026 VIDEO

Pray with Kiran & Sowjanya FOR THE NEXT 12 MONTHS

1. For protection, courage and peace as the family and church face opposition and pressure because of their faith and ministry.
2. For wisdom and open doors to share Christ with college and university students and with people from every community, including the LGBTQ+ community.

Joel & Ruth Madiki

WHO THEY ARE

This year Joel Madiki marks 25 years in ministry. He serves as full-time minister of Gollaprolu Church of Christ and has partnered with PPCOC since 2010. Beyond his congregation, he leads children's, youth, women's and family ministries and community outreach. With Mark Hooper, he is developing KALEO (Kingdom Anchored Leaders Equipping Others), a mentoring programme to equip leaders across Asia. Joel and his wife Ruth Elizabeth have two sons: Jason, who has just begun a design degree, and Graceson.

CELEBRATING

Seven young people have accepted Jesus through the Youth Connect programme. So many new families have joined the church that it had to enlarge its building for now.

LOOKING AHEAD

Joel's theme is REBUILDING: a new church building, but also rebuilt lives, stronger families, and young leaders who will carry Christ's mission forward.

> "Our hope is not just to see more young people becoming Christians, but to see a new generation live for Christ, lead others, and carry His mission into the future."
>
> JOEL & RUTH, MISSION SUNDAY 2026 VIDEO

Pray with Joel & Ruth

FOR THE NEXT 12 MONTHS

1. Spiritual rebuilding: that prayer, confession and spiritual formation will take deep root, and that the seven new believers will grow as faithful disciples.
2. The church building: God's provision and guidance as plans to rebuild move forward, for a building that will serve generations to come.

Gladiolus Place

WHO THEY ARE

Gladiolus Place (GP) is a non-profit residential home for vulnerable girls aged 10 and above who have experienced abuse, neglect or delinquency. Led by Executive Director Michelle Tan, it seeks to be a true home where each girl can heal, be renewed and grow into her God-given potential, while GP also works to restore and strengthen the girls' families. As a licensed Children's Home, GP provides trauma-informed care and therapeutic programmes. PP members serve there regularly through the fortnightly Gladiolus Place Devotional and other volunteer opportunities.

CELEBRATING

GP is now a registered charity (IPC) and becomes independent on 1 November. It grew to 45 places, and girls served a children's home in Batam on a service-learning trip.

LOOKING AHEAD

To step out in faith as an independent charity after 28 years, with the same vision and mission, and with church partners walking alongside through prayer, giving and partnership.

2. For the staff, as they care for girls with increasingly complex needs: God's comfort, strength and wisdom, and protection from burnout (Isaiah 40:31).
3. For GP's leaders as it becomes independent on 1 November: unity, stability, and the Lord at the centre of its vision and mission (Psalm 127:1).
